- Expert knowledge of landscape and park maintenance
- Energetic and enthusiastic
- Good communication skills
- Develop work schedules and supervise
- Hands-on involvement
- Safe use of hand tools and mechanical/motorized maintenance equipment
- California driver's license

Desired qualifications:

- Essential office computer skills
- Knowledge of sprinkler system controls and operation
- Knowledge and experience operating public swimming pool equipment
- General electrical and mechanical aptitude
- Able to develop a maintenance management system
- Wide range of handyman skills
- Forklift, back-hoe, front end loader certifications

Salary and benefits:

- Starting salary \$18-24/hour depending on qualifications and experience
- Medical, dental, retirement plans 100% paid by District
- Generous holiday, vacation, and paid time off benefits

To apply, submit a completed application from the District website www.malagacwd.org along with a letter of introduction, resume, and credentials to Norma Melendez, District Clerk, nmelendez@malagacwd.org, 559-485-7353.

Deadline for applications is 19 July 2019
