Dear Prospective Scholarship Donor,

It is the time of year again that we call upon our community members regarding our local scholarships. Due to the impact of COVID-19, our Local Scholarship Awards may look different once again this year. We are planning for the possibility of hosting a limited capacity in-person event, and broadcasting the event live for those who can't join us in person. Despite any changes, we continue to witness the tremendous impact local scholarship money makes for our students to continue their education. We would like to thank you in advance for your consideration in supporting Fowler High School students through your generous donation.

Attached you will find our Local Scholarship Donor Information Sheet, along with our Local Scholarship Timeline for your reference and planning. Please only complete the Donor Information Sheet if there are changes to your Local Scholarship this year. Also, if you need a letter for a tax-deduction or receipt, please do not hesitate to contact me.

This year we have a number of highly qualified Fowler High School seniors that would benefit from your generous donation. Our **Scholarship Night** is **Thursday, May 27, 2020 at 7:00pm** at Fowler High School.

Once again, on behalf of the administration and staff of Fowler High, I would like to thank you for considering a donation. I am sure you are aware that college has become more essential and more expensive with each passing year. Many of our students would not be able to continue their education were it not for local scholarships. If there are any questions or concerns that you need to discuss regarding the scholarship program please feel free to contact me at mike.mccolm@fowler.k12.ca.us or 834-6160 extension 4023. You may also contact Gabriela Diaz-Laris in our counseling department at gabriela.diazlaris@fowler.k12.ca.us or 834-6160 extension 4025.
