item 7.b.

DEVELOPMENTS

- 1. 4263 North Avenue construction in MCWD Sphere but outside of District. No District water or sewer on the frontage. Recommending a notification that the requirement to connect is deferred until community systems are near the property.
- 2. Custom Ag Development

Status update: Construction of water service is current.

INFRASTRUCTURE MASTER PLAN

The infrastructure master plan is proceeding. A key limiting factor is the disposal capacity at the existing WWTP

Direction from the Board is requested regarding:

Preferences on expanding WWTP disposal capacity – options include:

- a Future WWTP on the east side of State Route 99
- acquiring additional property for disposal ponds west of State Route 99
- exploring the potential of conjunctive use of FMFCD ponds
- inquiring about a new NPDES permit to discharge to the FID Central Canal

Recommended Action: Board's pleasure

Provisions of Agreement Initial here: _____(Malaga CWD WWTF) ______ (Moore Twining)

Malaga CWD WWTF (client) and Moore Twining Associates, Inc. agree that these provisions shall be part of their agreement:

- 1. This agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the client and Moore Twining. This agreement shall not be assigned by either the client or Moore Twining without the prior written consent of the other.
- 2. All documents produced by Moore Twining under this agreement shall remain the property of Moore Twining and may not be used by the client for any other endeavor without the written consent of Moore Twining.
- 3. Unless otherwise stated, Moore Twining will have access to the Site for activities necessary for the performance of their services. Moore Twining will take precautions to minimize damage due to these activities, but have not included in the fee the cost of restoration of any resulting damage.
- 4. Unless otherwise specified, this agreement shall be governed by the laws of the State of California.
- 5. The client agrees not to permit any other person to use plans, drawings, or other work product prepared by Moore Twining, which plans, drawings, or other work product are not final and which are not signed, and stamped or sealed by Moore Twining. If Moore Twining's work product exists in electronic or computerized format, or is transferred in electronic or computerized format, the stamp, seal and signature shall be original and may not be a computer-generated copy, photocopy, or facsimile transmission of the original.
- 6. The client agrees that if the client requests services not specified pursuant to the scope of services description within this agreement, the client agrees to pay for all such additional services as extra work according to Moore Twining's current fee schedule.
- 7. This agreement may be terminated by the client or Moore Twining should the other fail to perform its obligations hereunder. In the event of termination, the client shall pay Moore Twining for all services rendered to the date of termination, all reimbursable expenses, and reimbursable termination expenses.
- 8. The client acknowledges that Moore Twining is not responsible for the performance of work or Site safety by third parties including, but not limited to, the construction contractor and its subcontractors.
- 9. The client shall pay the costs of checking and inspections fees, zoning and annexations applications fees, assessment fees, soils engineering fees, soils testing fees, aerial topography fees, and all other fees, permits, bond premiums, title company charges, blueprints and reproductions, and all other charges not specifically covered by the terms of this agreement.
- 10. Moore Twining is not responsible for delay caused by activities or factors beyond Moore Twining's reasonable control, including but not limited to, delays by governmental agencies, acts of God, failure of the client to furnish timely information or approve or disapprove of Moore Twining's services or work product promptly, faulty performance by the client or other contractors or governmental agencies. When such delays beyond Moore Twining's reasonable control occur, the client agrees Moore Twining is not responsible for damages nor shall Moore Twining be deemed to be in default of this agreement.
- 11. Moore Twining shall not be liable for damages resulting from the actions or inactions of governmental agencies including, but not limited to permit processing, environmental impact reports, dedications, general plans and amendments thereto, zoning matters, annexations or consolidations, use or conditional use permits, project or plan approvals, and building permits.
- 12. Moore Twining makes no representation concerning the estimated quantities and probable costs made in connection with maps, plans, specifications, reports or drawings other than that all such costs are estimates only and actual costs will vary. It is the responsibility of client to verify costs. In addition, estimates of land areas provided under this agreement are not to be considered precise unless consultant specifically agrees to provide the precise determination of such areas.
- 13. The client agrees that in accordance with generally accepted construction practices, construction contractor will be required to assume sole and complete responsibility for job site conditions during the course of construction of the project, including all safety of all persons and property; that this requirement shall be made to apply continuously and not be limited to normal working hours, and client further agrees to defend, indemnify and hold Moore Twining harmless from any and all liability, real or alleged, in connection with the performance of service on this project, excepting liability arising from the sole negligence of Moore Twining.
- 14. Moore Twining makes no warranty, either expressed or implied, as to its findings, recommendations, plans, specifications, or professional advice except that the service or work product were performed pursuant to generally accepted standards of practice in California in effect at the time of performance.
- 15. In the event the client agrees to, permits, authorizes, constructs or permits construction of changes in the plans, specifications, and documents or does not follow recommendations or reports prepared by Moore Twining pursuant to this agreement, which changes are not consented to in writing by Moore Twining, the client acknowledges that the changes and their effects are not the responsibility of Moore Twining and the client agrees to release Moore Twining from all liability arising from the use of such changes and further agrees to defend, indemnify and hold harmless Moore Twining, its officers, directors, principals, agents and employees from and against all claims, demands, damages or costs arising from the changes and their effects.
- 16. In the event the client discovers or becomes aware of changed field or other conditions which necessitate clarification, adjustments, modifications or other changes during any phase of the project, the client agrees to notify Moore Twining and engage Moore Twining to prepare the necessary clarifications, adjustments, modifications or other changes to Moore Twining's services or work product before activities commence or further activity proceeds. Further, the client agrees to have a provision in its construction contracts for the project which requires the contractor to notify the client of any changes in field or other conditions so that the client may in turn notify Moore Twining pursuant to this paragraph.
- 17. The client shall indemnify and hold harmless Moore Twining and all of its personnel from and against any and all claims, damages, losses, and expenses (including reasonable attorney fees) arising out of or resulting from the performance of the services, provided that any such claim, damage, loss, or expense is caused in whole or in part by the negligent act, omission, and/or strict liability of the client, anyone directly or indirectly employed by the client (except Moore Twining), or anyone for whose acts any of them may be liable.
- 18. In recognition of the relative risks, rewards, and benefits of the project to both the client and Moore Twining, the risks have been allocated such that the client agrees that, to the fullest extent permitted by law, Moore Twining's total liability to the client and to all contractors and subcontractors for any and all injuries, claims, losses, expenses, damages, or claim expenses arising out of this agreement from any cause or causes, shall not exceed ten (10) times Moore Twining's fee or \$21,000.00 whichever is less. Such causes include, but are not limited to, Moore Twining's negligence, errors, omissions, strict liability, breach of contract, or breach of warranty.
- 19. (a) Notwithstanding any other provision of the Agreement and except for the provisions of (b) and (c), if a dispute arises regarding Moore Twining's fees pursuant to this contract, and if the fee dispute cannot be settled by discussions between the client and Moore Twining, both the client and Moore Twining agree to attempt to settle the fee dispute by mediation through the American Arbitration Association [or other mediation service] before recourse to arbitration. If mediation does not resolve the fee dispute, such dispute shall be settled by binding arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof. (b) does not preclude or limit Moore Twining's right to elect to file an action for collection of fees if the amount in dispute is within the jurisdiction of the small claims court. (c) does not preclude or limit Moore Twining's right to elect to perfect or enforce applicable mechanics lien remedies.
